

District Cubs Scrapheap Challenge - Tuesday 22nd November 2022

The New Forest District scrapheap challenge will be held this year at 2nd Copythorne, Romsey Road, Copythorne, SO40 2PB 6.30 - 8.30pm on Tuesday 22nd November

Each Pack may enter up to 3 teams of six cubs. There will be no restrictions on how this team is made up, but their combined ages should add up to no more than 54. I would expect leaders to use their sense of fair play by not entering a team made up of all sixers!

The competition: A theme will be given to the teams at the start. They will then make a model of their choice related in some way to the theme. Could each team bring their own rubbish to add to the pile along with glue, scissors, coloured pens, string & sellotape please. It may also be useful for the Cubs to bring along an apron or old shirt to protect their uniforms.

We do tend to use a large number of big boxes, so if you can bring some along, it would be appreciated. There will be some here already.

Teams will gain points based on their teamwork during the competition and the model made. The judges will be people from the District Scout Active Support team to ensure impartiality. Teams should arrive prompt please. If Parents are dropping off, they will not be able to stay but Leaders are welcome to use the kitchen and enjoy a coffee or tea

Entry forms to be sent to Kevin Harmer. If you have any questions, please contact Kevin by email dyak@stanleysown.co.uk
