

Harry's Island Maintenance Day

Sunday 17th May 2026, 10am-4pm

**Harry's Island Scout Campsite, nr Vereley,
Burley, BH24 4HH** [///midfield.skinny.chuck](http://midfield.skinny.chuck)

Help us look after our District campsite and get it looking its finest for the summer season!

Join us to complete the jobs from our list that are a little harder to tackle. Join us for as long as you like, we'll provide drinks and snacks, but bring a lunch if you're staying all day. We suggest bringing gardening gloves if you have them, and while we will have tools, feel free to bring your favourites.

Plus, all district groups that send a representative to help (for however long) will be entitled to free use of Harry's Island facilities!

RSVP: Tim at harrysisland@newforestscouts.org.uk

List of jobs we're looking to tackle on the district website: newforestscouts.org.uk
